Dear Families,

We have had an outstanding Science Week! Our Science Expo held last Tuesday began at 9.15 am in an amazing way. Mrs Holmes’ friends, Rod and Nara, brought a drone in to school, which flew above all of the students who were congregated on the asphalt. The rest of the school day involved all classes visiting the Expo for some collaborating, exploring, investigating and problem solving. The day ended by welcoming families to the Expo from 3.00 pm - 4.00 pm. This was a wonderful opportunity for families to expand their curiosity and develop their understanding together.

Sincere thanks to all who attended and a massive thank you to Mrs. McKenzie and Miss Ashman for leading us in Science. We made the Examiner! Enjoy the photos on page 4!
