School Satisfaction Survey

This year, School Satisfaction Surveys for students, parents and staff will be conducted during September. These surveys contain questions on a range of matters about our school.

This survey provides an opportunity for students, parents and staff to provide important feedback. This feedback is valued by our school as a means of identifying what the school does well and opportunities for the school to make improvements.

Parents, staff and students (from Year 5), will be invited to participate. Students will undertake the survey during school time.

You will receive a letter with the Newsletter if you have been selected to participate in the parent survey. Your responses will be secure and anonymous.

We encourage you to participate and complete the survey so that the school has a clear direction when planning for future programs and services for students.

Please contact the office if you wish to use a school computer to complete the survey. Completed paper based surveys can be placed in the returns box in the office.

Schools Dance Event 2016

Our Prep to Year 6 students are involved in the Schools Dance Event on Friday 16th September. The students have been learning the dances at school in preparation for this fantastic celebration of dance. The event is held at the Silverdome and parents are most welcome to attend.

Early Childhood classes will be dancing from 9.45 am - 10.45 am and Primary classes will be dancing from 11.00 am - 12.00 pm. Students will be bussed to and from the venue.

Shoes: The floor is a lacquered wooden floor therefore children must wear sandshoes or non-marking shoes.

Notes for Parents:
- Spectator parking is in the lower level car parks on the Eastern side of the Silverdome. ‘No parking signs’ will be erected directly in front and behind the Silverdome to allow bus passage.
- Excellent viewing of the event can be had from the tiered seating surrounding the bike track, but no spectators will be allowed onto the floor due to already busy floor space.
